

NOTE FROM PRESIDENT

Dear Friends,

It gives me a great pleasure to welcome all my seniors, colleagues and juniors of our almatmater to the 24th Annual General Meeting of our Association. It is always a pleasure to be part of this great association.

You are all aware that due to Covid pandemic, we couldnot organise many of our activities during last two years. However our association started its regular activities and added a few more to their calender of events. For the first time OBA with support from Axel Public School organized a open quiz competition on 9th November 2022. The successful conduct of this mega event have encouraged us to include this event in the yearly calender of OBA. We are singularly grateful to Sri Prasanta Choudhury ,an alumnus of our school and Secretary of Axel Public School for his whole hearted support.

On the issue of a permanent location for our association, I would like to add that in-spite of our best effort, the state government has not yet allotted land for the same. In this connection I also want to offer my special thanks to Lt. Gen Rana Kalita, GOC-in-C, Eastern Command, who has been in constant touch with us and also with the Honourable CM of Assam for this purpose. Hopefully Honorable CM will take positive steps soon. A permanent infrastructure is essential where we will build up a training institution for preparing candidates for NDA and other competitive examinations.

The lack of intake from our school to NDA continues to be a cause of concern. OBASSG is seized with the issue and many steps are being initiated in conjunction with school as well as with army authorities.

An organization to be viable and dynamic needs support and cooperation from each one of us. May I request all of you to contribute towards the growth of OBASSG. Together we can and we will.

Finally I once again thank all of you and I am sanguine that our organization will grow from strength to strength.

Brig Ranjit Borthakur (Retd)
